

Where to Find Sun Ultra™ 24 Workstation Documentation

Sun Ultra 24 Workstation Documentation Flowchart

The flowchart below lists the documentation in the approximate order of the tasks that you might perform when installing a new system. Review the tasks on the left, then refer to the corresponding documents on the right.

You can find the most up-to-date versions of all the documents at <http://docs.sun.com>. Translated versions of some of these documents are also available. Select a language from the drop-down list and navigate to the Sun Ultra 24 Workstation document collection using the product category link. Available translations include Simplified Chinese, Traditional Chinese, French, Japanese, Korean, Spanish, Italian, and German. English documentation is revised more frequently and might be more up-to-date than the translated documentation.
