

## **Tables and Fields Exported to XER when Exporting Resources**

### **CALENDAR - (Calendars)**

|                |                      |
|----------------|----------------------|
| base_clndr_id  | Parent Calendar      |
| clndr_data     | Data                 |
| clndr_id       | Unique ID            |
| clndr_name     | Calendar Name        |
| clndr_type     | Calendar Type        |
| day_hr_cnt     | Work Hours Per Day   |
| default_flag   | Default              |
| last_chng_date | Date Last Changed    |
| month_hr_cnt   | Work Hours Per Month |
| proj_id        | Project              |
| rsrc_private   | Personal Calendar    |
| week_hr_cnt    | Work Hours Per Week  |
| year_hr_cnt    | Work Hours Per Year  |

### **RCATTYPE - (Resource Codes)**

|                     |                 |
|---------------------|-----------------|
| rsrc_catg_short_len | Max Code Length |
| rsrc_catg_type      | Resource Code   |
| rsrc_catg_type_id   | Unique ID       |
| seq_num             | Sort Order      |
| super_flag          | Secure Code     |

### **RCATVAL - (Resource Code Values)**

|                      |                  |
|----------------------|------------------|
| parent_rsrc_catg_id  | Parent Code      |
| rsrc_catg_id         | Unique ID        |
| rsrc_catg_name       | Code Description |
| rsrc_catg_short_name | Resource Code    |
| rsrc_catg_type_id    | Resource Code    |
| seq_num              | Sort Order       |

### **ROLELIMIT - (Role Limits)**

|                |                  |
|----------------|------------------|
| max_qty_per_hr | Max Units / Time |
| role_id        | Role ID          |
| rolelimit_id   | Unique ID        |
| start_date     | Effective Date   |

### **ROLERATE - (Role Prices)**

|               |               |
|---------------|---------------|
| cost_per_qty  | Standard Rate |
| cost_per_qty2 | Internal Rate |
| cost_per_qty3 | External Rate |
| cost_per_qty4 | cost_per_qty4 |
| cost_per_qty5 | cost_per_qty5 |
| role_id       | Role ID       |
| role_rate_id  | Unique ID     |

**ROLES - (Roles)**

|                        |                            |
|------------------------|----------------------------|
| cost_qty_type          | Price Time Units           |
| def_cost_qty_link_flag | Calculate costs from units |
| parent_role_id         | Parent Role                |
| role_descr             | Responsibilities           |
| role_id                | Unique ID                  |
| role_name              | Role Name                  |
| role_short_name        | Role ID                    |
| seq_num                | Sort Order                 |

**RSRC - (Resources)**

|                        |                            |
|------------------------|----------------------------|
| active_flag            | Active                     |
| auto_compute_act_flag  | Auto Compute Actuals       |
| clndr_id               | Calendar                   |
| cost_qty_type          | Price Time Units           |
| curr_id                | Currency Name              |
| def_cost_qty_link_flag | Calculate costs from units |
| def_qty_per_hr         | Default Units / Time       |
| email_addr             | E-Mail Address             |
| employee_code          | Employee ID                |
| guid                   | Global Unique ID           |
| office_phone           | Office Phone               |
| ot_factor              | Overtime Factor            |
| ot_flag                | Overtime Allowed           |
| other_phone            | Other Phone                |
| parent_rsrc_id         | Parent Resource            |
| role_id                | Primary Role               |
| rsrc_id                | Unique ID                  |
| rsrc_name              | Resource Name              |
| rsrc_notes             | Resource Notes             |
| rsrc_seq_num           | Sort Order                 |
| rsrc_short_name        | Resource ID                |
| rsrc_title_name        | Title                      |
| rsrc_type              | Resource Type              |
| shift_id               | Shift                      |
| timesheet_flag         | Uses timesheets            |
| ts_approve_user_id     | Timesheet Approval Manager |
| unit_id                | Unit of Measure            |
| user_id                | User Login Name            |

**RSRCRATE - (Resource Prices)**

|               |               |
|---------------|---------------|
| cost_per_qty  | Standard Rate |
| cost_per_qty2 | Internal Rate |
| cost_per_qty3 | External Rate |
| cost_per_qty4 | cost_per_qty4 |
| cost_per_qty5 | cost_per_qty5 |

|                 |                  |
|-----------------|------------------|
| max_qty_per_hr  | Max Units / Time |
| rsrc_id         | Resource         |
| rsrc_rate_id    | Unique ID        |
| shift_period_id | Shift            |
| start_date      | Effective Date   |

#### **RSRRCAT - (Resource Code Assignments)**

|                   |               |
|-------------------|---------------|
| rsrc_catg_id      | Code Value    |
| rsrc_catg_type_id | Resource Code |
| rsrc_id           | Resource      |

#### **RSRCROLE - (Resource Role Assignments)**

|                 |               |
|-----------------|---------------|
| role_id         | Role          |
| role_name       | Role Name     |
| role_short_name | Role ID       |
| rsrc_id         | Resource      |
| rsrc_name       | Resource Name |
| rsrc_role_id    | Role          |
| rsrc_short_name | Resource ID   |
| rsrc_type       | Resource Type |
| skill_level     | Proficiency   |

#### **SHIFT - (Shift Names)**

|            |            |
|------------|------------|
| shift_id   | Unique ID  |
| shift_name | Shift Name |

#### **SHIFTPER - (Shifts)**

|                    |                         |
|--------------------|-------------------------|
| shift_id           | Shift Name              |
| shift_period_id    | Unique ID               |
| shift_start_hr_num | Shift start hour number |

#### **UMEASURE - (Units of Measure)**

|             |                   |
|-------------|-------------------|
| seq_num     | Sort Order        |
| unit_abbrev | Unit Abbreviation |
| unit_id     | Unique ID         |
| unit_name   | Unit Name         |

#### **WBSRSRC - (High Level Planning Assignments)**

|          |         |
|----------|---------|
| end_date | Finish  |
| proj_id  | Project |

#### **WBSRSRC\_QTY - (WBSRSRC QTY)**

|               |               |
|---------------|---------------|
| fin_dates_id1 | fin_dates_id1 |
| fin_dates_id2 | fin_dates_id2 |
| fin_qty1      | fin_qty1      |
| fin_qty2      | fin_qty2      |
| month_start   | Unique ID     |
