Documentation Web Site

All of the Sun Blade 6000 Virtualized Multi-Fabric 10GbE Network Express Module documents and related documentation can be found at this URL: <http://docs.sun.com/app/docs/prod/blade6k.10gb.vmf#hic>. The documentation web site contains the most recent information. For critical updates to product information, see the product notes. To verify if a document is more recent than the document that you have, refer to the final two digits of the part number for that document. (For example 818-1234-12 is newer than 818-1234-10.)

Localized Documents

Translated versions of some documents are available at <http://docs.sun.com>

Select a language from the drop-down list and navigate to the Sun Blade 6000 Virtualized Multi-Fabric 10GbE Network Express Module document collection. Available translations include Simplified Chinese, French, and Japanese. English documentation is revised more frequently and might be more up-to-date than the translated documentation.

Accessing Sun Documentation

You can view, print, or purchase a broad selection of Sun documentation, including localized versions, at:

<http://www.sun.com/documentation>

Contacting Sun Technical Support

If you have technical questions about this product that are not answered in this document, go to:
