

# GlassFish Day @ Jazoon

June 23<sup>rd</sup> 2008, Zurich

# Welcome !

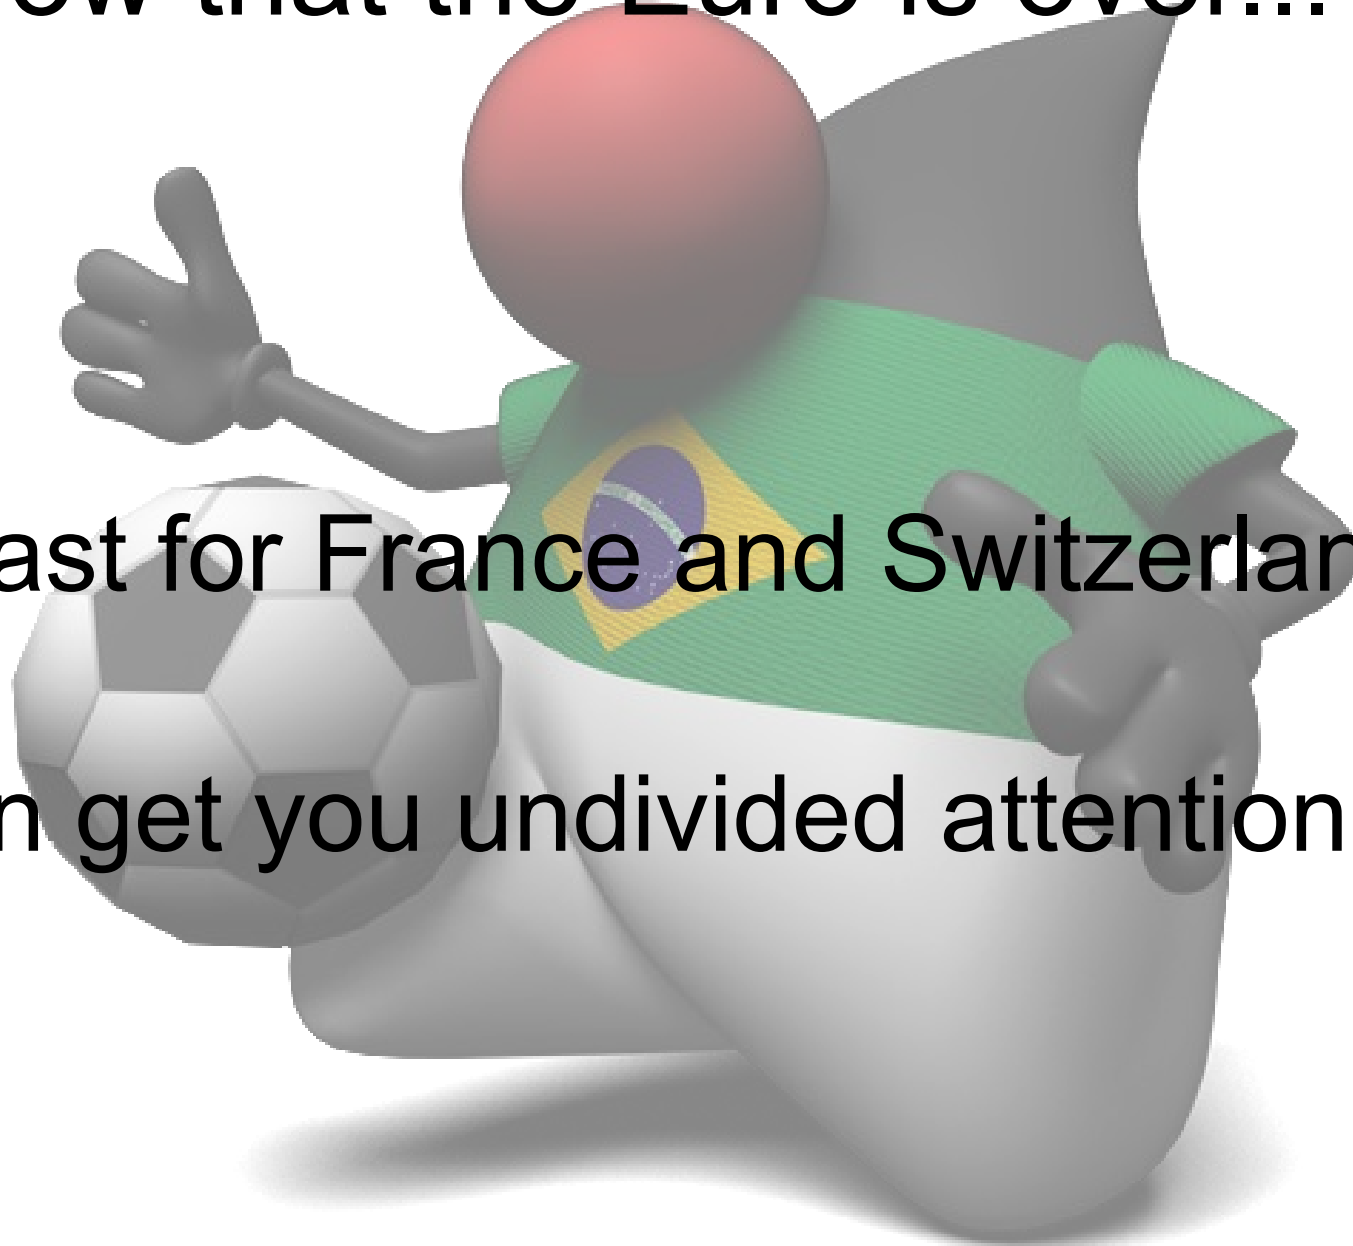

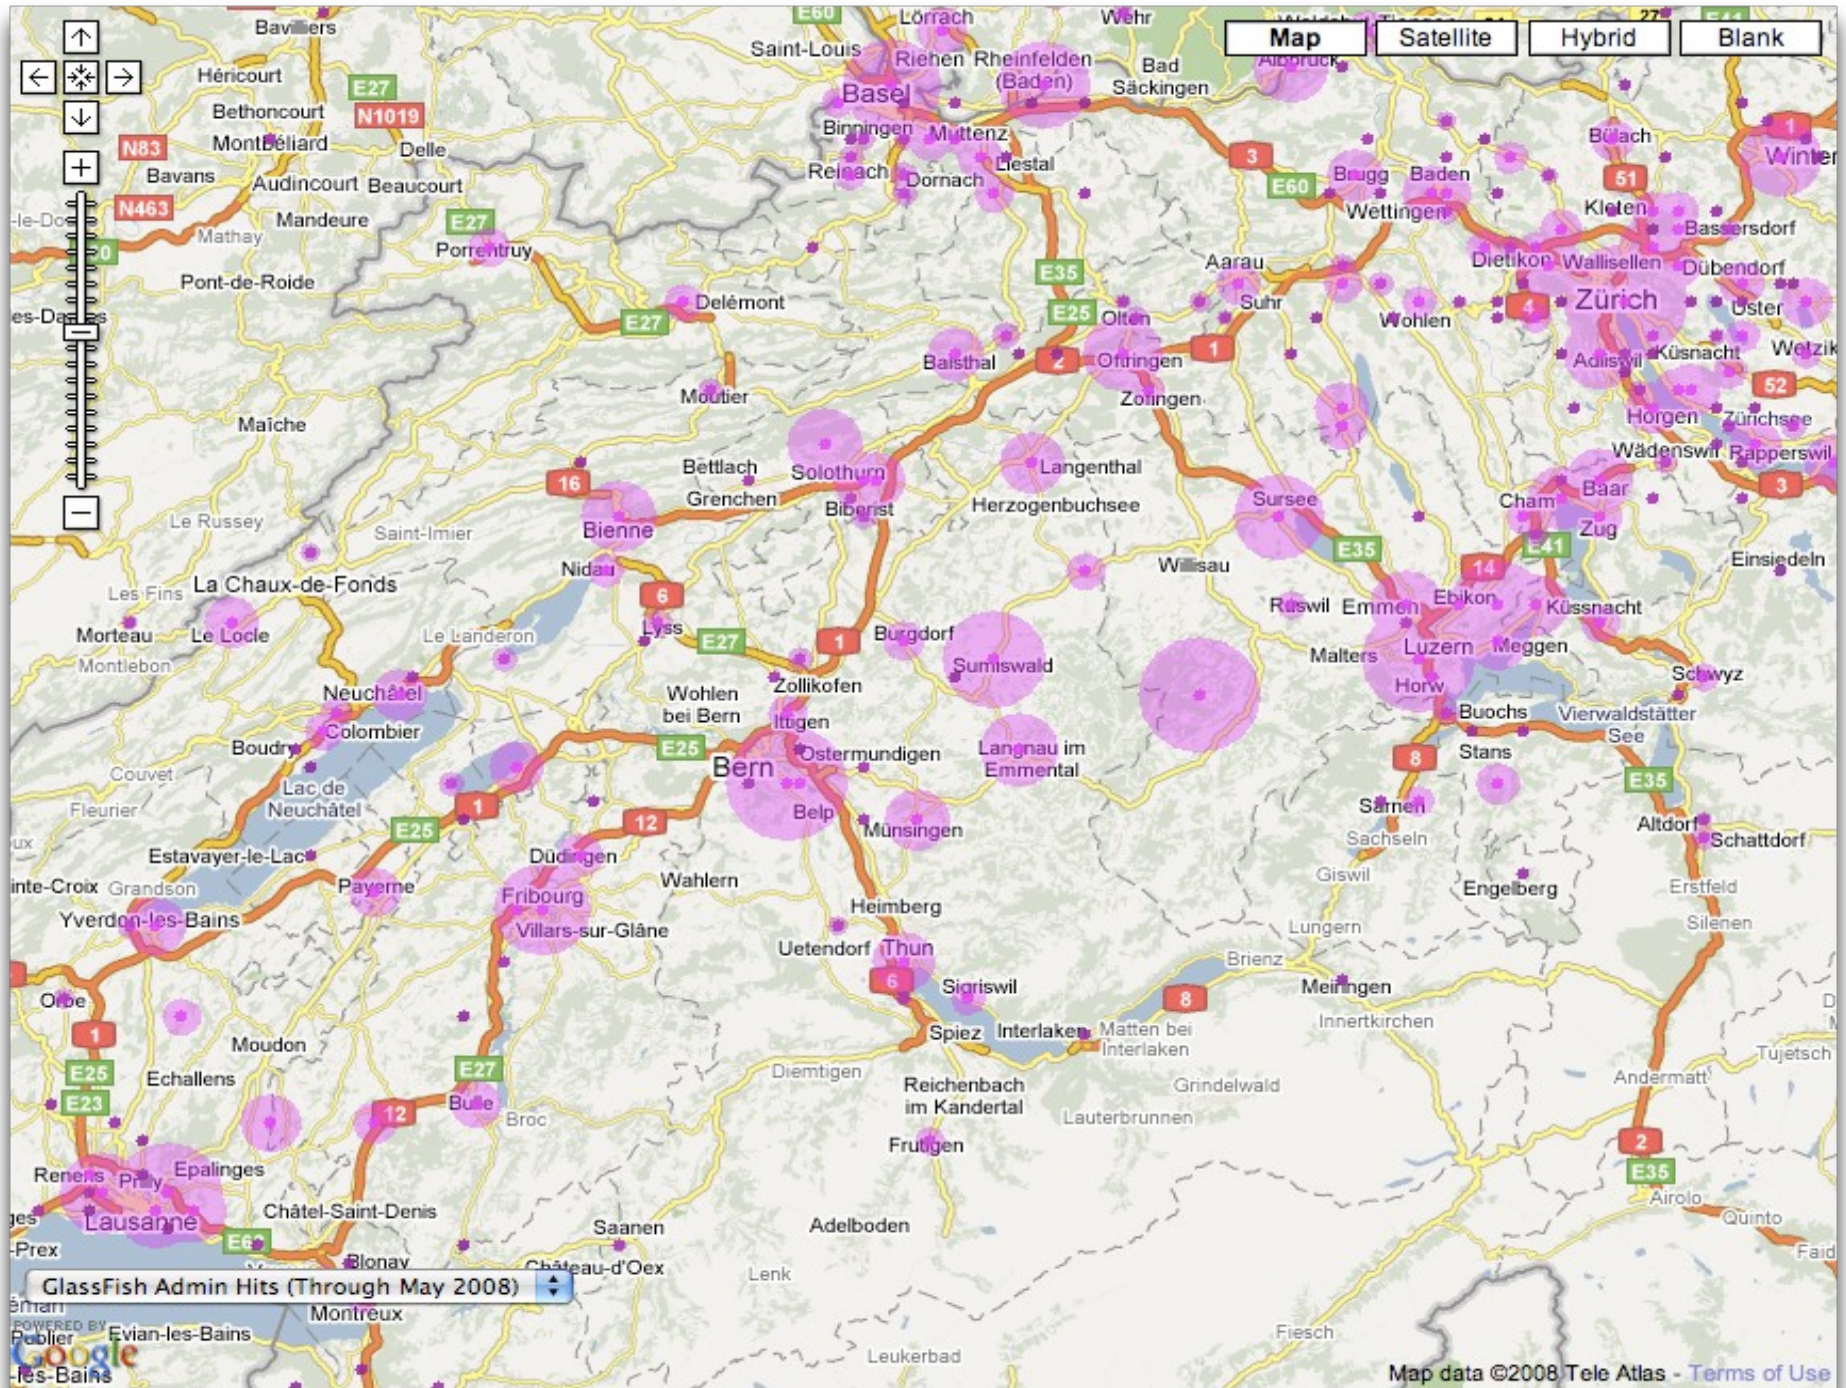

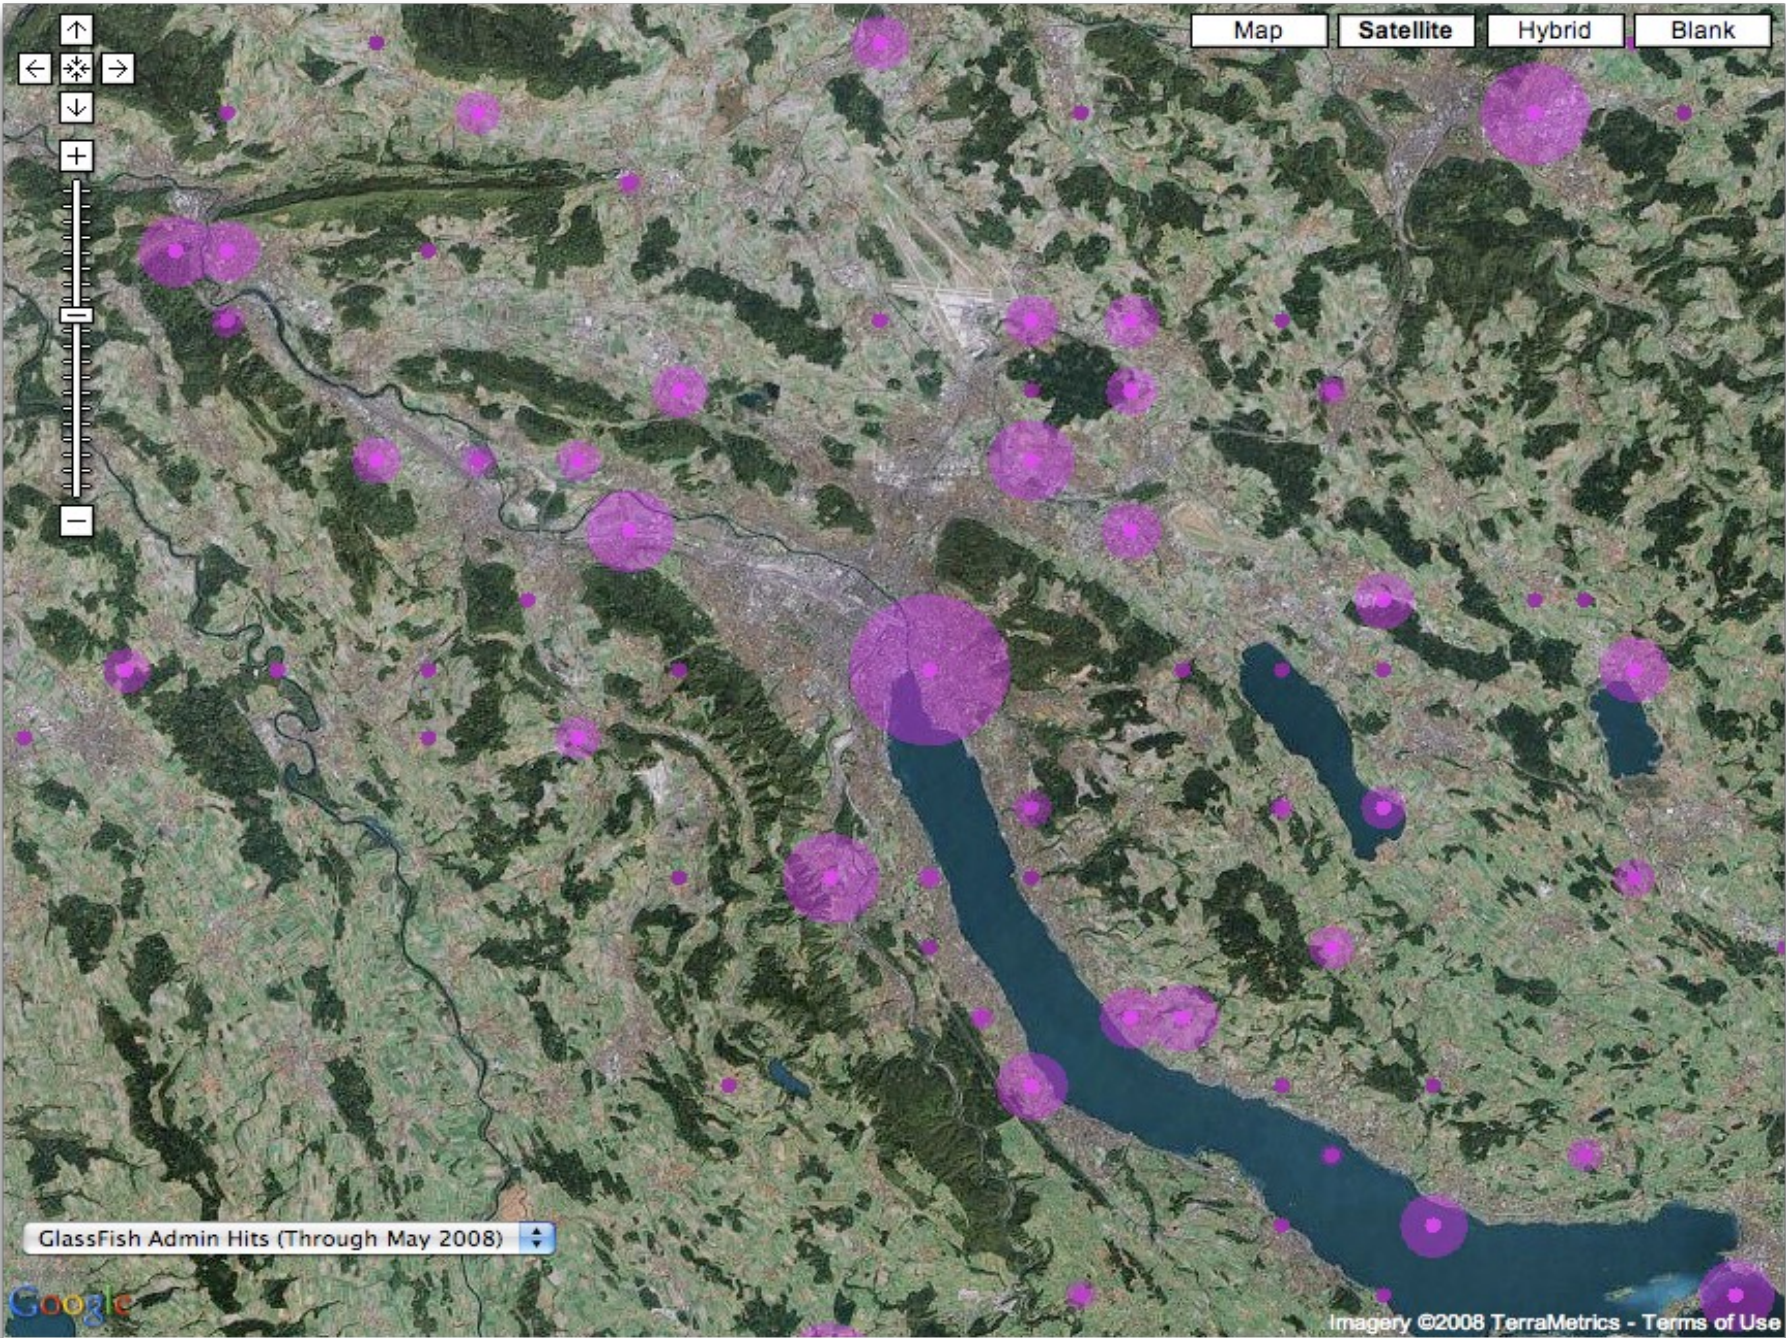

Now that the Euro is over...

...at least for France and Switzerland :-)

I can get you undivided attention! :-)

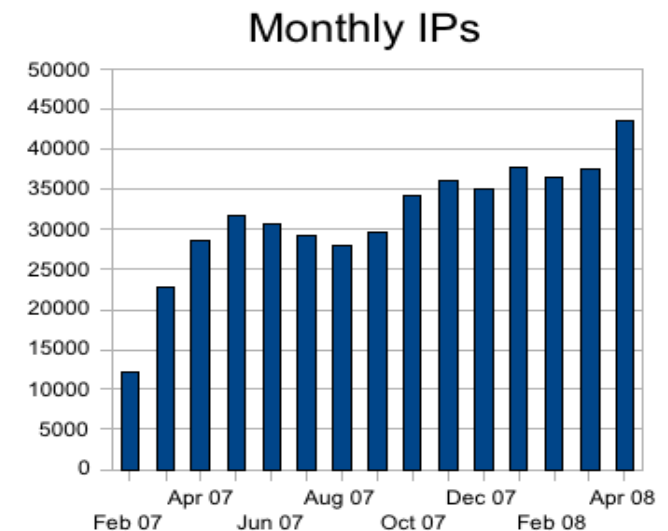

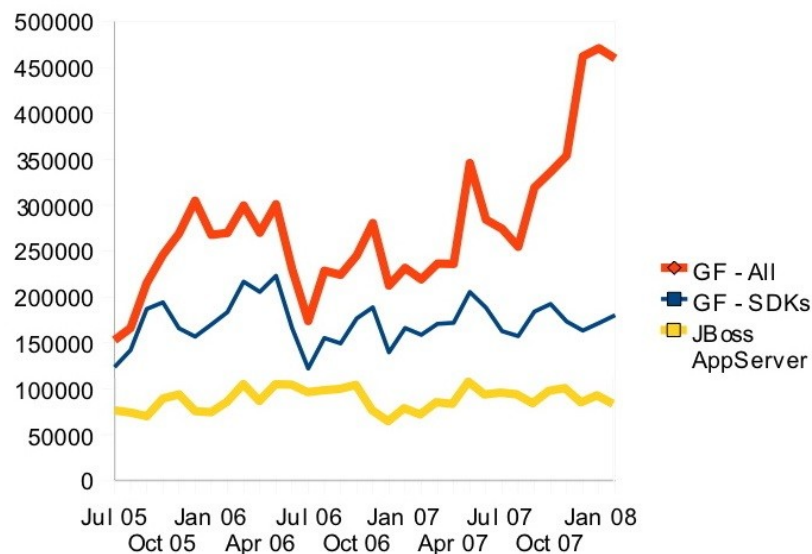

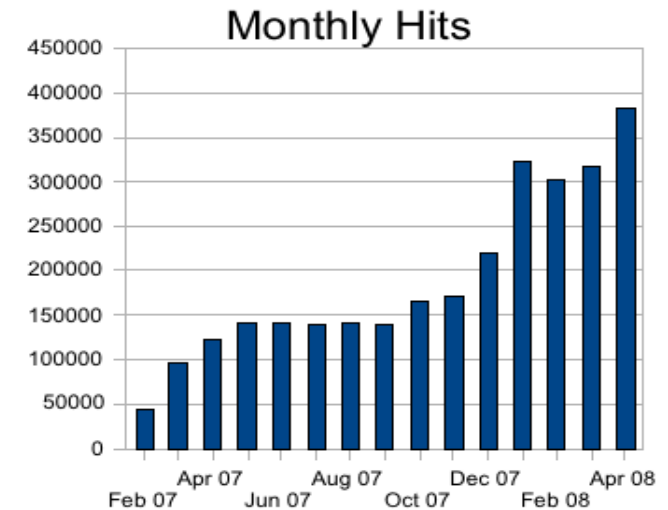

# GlassFish Community

- Large and growing
- Ask questions
- <http://glassfish.org/GAP>
- Contribute !

# GlassFish v2

- GlassFish v2 released Sept. 2007
  - > Now at v2ur2
  - > 4 millions downloads
  - > From x3 to x10 usage over 12 months
