Bookshelf for Siebel Business Analytics Platform
Version 7.8.4 - January 2006

Using PDF Search

To view Siebel Bookshelf PDF files and use search functionality, you need Adobe Reader. You must open the homepage in Acrobat Reader and not in a Web browser with the PDF plugin; some features will not function properly in a Web browser.

You can download Adobe Reader 7.0 from http://www.adobe.com/products/acrobat/readstep2.html.

You can use the search functionality to find topics across all PDF files in the Bookshelf by clicking the Search button on the homepage. To navigate from one result to the next, press Ctrl +]. To return to the previous result, press Ctrl + [.

For more information on using PDF search, see Searching for Text in Adobe PDF Documents in Adobe Reader Help.

Siebel Systems Welcomes Your Comments

To help us improve our products, we want to know about any corrections or clarifications to the Siebel Bookshelf that you would find useful.

Please include the following in your message:

- The title and version of the book, which you can find at the bottom of each topic

- The name and version number of the Siebel application you are using

- Your name, job title or functional area, company name, phone number, and email address

To contact us through regular mail, use this address:

Siebel Systems, Inc.
Technical Publications Department
2207 Bridgepointe Parkway
San Mateo, CA 94404-5009

To contact us through email, use this address: doc@siebel.com.

We appreciate your feedback.

Product Modules and Options

This Siebel Bookshelf contains descriptions of modules that are optional and for which you may not have purchased a license. Siebel's Sample Database also includes data related to these optional modules. As a result, your software implementation may differ from descriptions in this bookshelf. To find out more about the modules your organization has purchased, see your corporate purchasing agent or your Siebel sales representative.

U.S. Government Restricted Rights

Programs, Ancillary Programs and Documentation, delivered subject to the Department of Defense Federal Acquisition Regulation Supplement, are "commercial computer software" as set forth in DFARS 227.7202, Commercial Computer Software and Commercial Computer Software Documentation, and as such, any use, duplication and disclosure of the Programs, Ancillary Programs and Documentation shall be subject to the restrictions contained in the applicable Siebel license agreement. All other use, duplication and disclosure of the Programs, Ancillary Programs and Documentation by the U.S. Government shall be subject to the applicable Siebel license agreement and the restrictions contained in subsection (c) of FAR 52.227-19, Commercial Computer Software - Restricted Rights (June 1987), or FAR 52.227-14, Rights in Data—General, including Alternate III (June 1987), as applicable. Contractor/licensor is Siebel Systems, Inc., 2207 Bridgepointe Parkway, San Mateo, CA 94404.
